For painting C&EI models we recommend using Tru-Color paint. TCP-147 - C&EI early blue; TCP-148 - C&EI Orange; TCP-189 – C&EI freight car brown 1948-60’s and TCP-293 – C&EI dark blue (taken from a DuPont paint ship furnished by Ray Curl/Rick Schroeder. Paint is available from Tru-Color at [trucolorpaint.com](http://trucolorpaint.com)

\*\* The C&EI HS purchased the remaining stock of diesel locomotive decals from member and friend Mark Vaughn. The decal set includes two sheets, one with all striping in standard widths. The second sheet includes all numbers, nose stripes, curved end stripes, football logo and step warnings. Decals were produced by Rail Graphics. A 3-page lettering guide will come with the set. **Add \$2.00 additional postage for decal/instruction set.**

**If ordering decals separate, postage and handling for 5 decal sets - \$2.50, add \$1.00 for each additional 5 sets.**
