

C&EI Historical Society C&EI Flyers Set 1: Volumes 1-25

The C&EI Historical Society is excited to announce our newest offer, a digital collection of the first 25 years of The Flyer magazine on a USB drive. These 38 black and white issues are a treasure trove of information about our favorite railroad.

The drive comes in a handy plastic case and is labeled for identification. Also included is a table of contents on the drive.

The issues are also searchable at rrmagazineindex.org, courtesy of Iowa Scaled Engineering.

We are selling digital volumes 1-25 for \$75 postpaid. Checks, made out to the C&EI Historical Society can be mailed to:

David Forbes
702 Hawthorne Dr
